

HANDS ON COLLECTIONS

Practical voluntary work experience with a real museum collection, which will give you demonstrable collections care experience

- Would you like a career in museums?
- Would you like to learn how to care for historic objects in a museum environment?

We need your help to care for our museum, in return for your time we will train you to catalogue and care for objects in a diverse range of materials which you can use to show your skill and commitment to future museum employers.
